FOR IMMEDIATE RELEASE

Local Business Achieves Highest Sales Honor

Minneapolis, MN—

Wiley, the leading developer of Everything DiSC[®]-based corporate training and assessment-driven solutions, announced today that local business **Powers Resource Center** was recognized as a 2014 Ruby award-winning Partner. The honor of Ruby Award is the third-highest award level—in 2014, less than three percent of Everything DiSC Partners earned this esteemed award.

Powers Resource Center is committed to bringing our world-class learning tools to their clients,” said Barry Davis, Vice President and General Manager of Wiley Workplace Learning Solutions. “Our award winners have a strong dedication to providing clients with tools, resources, and counsel to help them navigate today’s ever-changing, complex workplace environments. We are honored to have Powers Resource Center as a valued Partner.”

About Powers Resource Center, LLC

We’re on a mission to help conscious companies and value based leaders boost employee engagement, develop extraordinary teams, and build greater leadership capacity across the board.

We wow our clients every day by taking tired workshops, stale strategies, and cookie cutter consulting off the table so that we can innovate, just like you strive to do every day, and customize our services to meet your unique challenges. We make team building, training and our award-winning leadership development programs so engaging and useful that our clients keep coming back for more.

Over the past 15 years we have coached and trained hundreds of executives and managers, internal trainers, emerging leaders and teams in order to help them create a culture that gets them excited and proud to contribute to the bottom line.

We offer team-building workshops and retreats, train the trainer programs, leadership development programs, and coaching for all levels of an organization. And we are grateful to say that our clients keep coming back for more.
